## VISION - TECHNOLOGY - INNOVATION

"If you think technology can solve your security problems, then you don't understand the problems and you don't understand the technology."

— Bruce Schneier, 2000

The cloud services companies of all sizes…The cloud is for everyone. The cloud is a democracy.

- Marc Benioff, 2010

"I don't need a hard disk in my computer if I can get to the server faster… carrying around these non-connected computers is byzantine by comparison."

- Steve Jobs, 1997

"I really worry about everything going to the cloud, I think it's going to be horrendous. I think there are going to be a lot of horrible problems in the next five years."

- Steve Woziak, 2012
